Subject: Embargoed Draft of O&G Benchmarking Report
Attachments: OilandGas_BenchmarkingReport_FINAL Embargo.pdf

Peter, Kevin & David,

On behalf of CERES and the Clean Air Task Force we have completed a GHG emissions benchmarking assessment of the top 100 oil & gas producers. As you may recall we have developed similar assessments of the electric power sector during the past 20+ years.

This report will be released on Tuesday so please do not distribute the report to others prior to then.

Thanks,
Michael
